March of Dimes Drive Will Start On Next Sunday

Gift Receptacles Distributed And Canvassers Will Begin Tuesday

The March of Dimes campaign will start Sunday.

The iron lung containers in which donations may be deposited will be placed in all business houses before the end of this week, Ed Gressens, chairman of the Antioch township drive announced.

Volunteer workers who will canvass the area met at the Legion home Monday evening in receiving final instructions, identification cards and territory assignments. There was almost a perfect attendance.

Workers will begin their solicitation Tuesday. Mrs. William Dorsey, mother of three polio victims and Mrs. William Hansen of Lake Marie on Tuesday were the first to ask for additional receipt books.

Eugene Hucker who has a son in the polio ward at St. Therese hospital, insists on helping in some manner.

Although the campaign has not officially started, the first donation received in the mail was from Sequoit lodge No. 827 A. F. and A. M. followed by Lakeside Rebekah lodge No. 82 and George E. Peterson, Rte. 3.

"With such enthusiasm as this, the March of Dimes promises to be the most successful in its history," Chairman Gressens forecast.

He urged everyone to donate generously when the workers call on them at their homes within the next few days, and for those who are not contacted to mail their contributions direct to him at 1050 Bishop dr.

State Education Commission Will Conduct Hearing Jan. 17 At DeKalb Teachers College

DeKalb, Ill.—The State Education commission, to study the problems of the public schools in Illinois, will hold a hearing at Northern Illinois State Teachers College, DeKalb, Tuesday, Jan. 17, as one of a series of such hearings about the state.

The hearing, to begin at 10 a. m., offers an opportunity to school people and citizens generally of the northern area of the state to present statements of the needs of schools and the effect of recent school legislation upon the situation of school finance.

The commission is set up by law to study the following problems:

(1) Changes in the State Aid formula to promote desirable reorganization of school districts;

(2) State Aid for transportation, particularly the desirability of including a sparsity factor in allotting transportation aid;

(3) Problems which may arise with respect to the elimination of non-high school districts and non-operating districts;

(4) The organization and financing of community or junior colleges and nursery schools;

(5) The possibility of consolidation of the varied tax levies into a single levy, and particularly the consolidation of levies for educational and building purposes;

(6) Improvements in school budgeting and accounting practices;

(7) Problems which arise in the school township organization, particularly where enlarged school districts are created;

(8) Needs of further codification and revisions in the school laws.

The commission has the responsibility of recommending to the Budgetary Commission prior to October 1, 1950 the amount of State Aid for the schools needed for the biennium beginning July 1, 1951.

The commission consists of twelve members: the Superintendent of Public Instruction, the Director of Finance, three members of the Senate appointed by the president pro tem, three members of the House appointed by the Speaker, and five named by Governor Stevenson. The hearings are open and are meant to obtain area interpretations of the needs of education.

Joe Panowski Has Operation
Joseph Panowski, custodian at the Scout Home, underwent a major operation at Victory Memorial hospital Friday and is now making satisfactory progress toward recovery. His son, Jack Panowski of Los Alamos, N. Mex., arrived last weekend to spend this week with him.

Moose Meet in New Rooms for First Time Wednesday

Forty-four New Members Are Initiated Into Local Lodge

Antioch Moose lodge held its first meeting in its new quarters last night. The new rooms located in the rear of the Elms building on Main Street have been completely remodeled, and while all the work is not yet fully complete, sufficient has been done to allow meetings to be held there.

Forty-four new members were initiated and inducted into the lodge last night and a capacity crowd, estimated to have been about two hundred, filled the hall. A special degree team performed the initiation ceremonies.

Music for dancing was furnished by King Jaro's orchestra, and members and their wives enjoyed the informal opening of the new rooms. A grand opening of the hall is scheduled to take place within the next thirty days, after time has lapsed to finish the decorating of the rooms more completely.

Mayor Jim McMillen To Continue Wrestling Career in Bout Saturday

A rousing Australian Tag team match with the Zaharias Brothers, Chris and Babe wrestling Walter Palmer and Jim McMillen will feature the main event Saturday night Jan. 14 in the Waukegan High school gym.

The Zaharias brothers are among the roughest and toughest tag teams in the country. They are compared with the Schnabels, the Duseks, the Beckers and several others. Chris and Babe are members of the Zaharias clan that includes the Denver wrestler Tom and the original "cry baby" George Zaharias. George was one of the top stars of the country as a wrestler ten years ago.

Jim McMillen recently elected president of Antioch, states that because of his love for wrestling, he will continue in the sport. He makes an ideal partner for Palmer and is as clever and versatile as Palmer. The latter has been specializing in the spinning leg hold, which is proving devastating to his opponents.

Both McMillen and Palmer are veterans of the mat world, but are just in their prime as far as wrestling ability goes. Jim McMillen can be classed as one of the great athletes of all time. He started his career in 1920 and won Big Ten titles in Illinois. He also starred with the football team at the University. Later he joined professional wrestling.

In addition Jim is a business man and an executive with the Chicago Bears. He now is Mayor of Antioch. The Zaharias Brothers will find their equal if they start the rough stuff with McMillen and Palmer.

In another top bout on the card George Temple, of California, brother of Shirley Temple, the movie actress meets the colorful Gypsy Joe in the semi-main event. Temple, a former Marine is not going on his sister's reputation but is an accomplished grappler. Gypsy Joe, who enters the ring in colorful gypsy attire is always accompanied by his wife who sits at the ringside and coaches her husband.

Benito Gardini, the excitable Baltimore heavyweight meets Frankie Talaber, of Chicago, in another clash on the show. Gardini is a former opera singer but gave up this vocation for the love of wrestling that he has acquired. Talaber is the son of the one time middleweight Champion Lou Talaber.

Lakeland Players to Give Play at P.T.A. Meeting

A one-act play entitled "Why I Am a Bachelor" will be presented as the chief entertainment Monday evening by the Lakeland Players at the grade school Parent-Teacher association meeting.

The meeting, starting at 8 a. m. with a business session, will be held at the school.

The fourth and fifth grade room mothers, Mrs. Harold Cardiff, Mrs. Harry Miller and their committees will serve refreshments.

Officers extended an invitation to all parents to attend the meeting.

C. B. Shultis Named Assistant Fire Chief; Other Officers Upped

Chief Simonsen Appoints Cunningham Captain; Willett, Lieut.

Edgar Simonsen, new fire chief announced his appointments at the meeting of the department Tuesday evening advancing Clarence B. Shultis from captain to assistant fire chief.

Murrill Cunningham, village trustee, was advanced from lieutenant to captain, and F. Harry Willett a member of the department for 14 years was named lieutenant to serve along with the other lieutenants, Vern Barnstable and L. R. Van Patten, Jr., both with eight years of service.

Elmer Hunter was re-named chief engineer and Laurel VanPatten again is his assistant.

Simonsen former assistant chief heads the department after 19 years of service, 3½ years of which involved army service where he received fire school training, and served as master sergeant in a motor division.

Shultis, with 30 years of service on the local department, has served as its secretary 16 years. Cunningham has served the department nine years.

After the business session Tuesday, the firemen were served a venison supper at the station through the courtesy of Bud Holtz. The department has had two calls in the last 10 days. A week ago yesterday \$150 worth of damage was done to the Kenner farm truck which caught fire on North Main st., while it was being driven to the farm on the Pikeville rd. Alcohol anti-freeze boiled out of the radiator and caught fire. The blaze was confined to the machinery under the hood.

The firemen were called Saturday evening to the Wesley Reeves home at Linden Lane, Channel lake where an overheated oil burner threatened, but did no damage.

Farm Bureau Will Hold Annual Meeting Feb. 18 At Warren Twp. School

The board of directors of the Lake County Farm bureau yesterday set Saturday evening, Feb. 18 as the date of the annual meeting to be held at the Warren Township High school.

E. V. Peterson, of Ames, Ia., manager of the Midwest district of the Dupont Co., will give an illustrated lecture entitled "Preview of Progress."

The business meeting and program will last from 8 to 10 p. m. and there will be square dancing from 10 to 12 p. m.

Farm Adviser Ray T. Nicholas in announcing the meeting, also announced a farm record book meeting for 1:15 p. m. tomorrow at the Farm Bureau office in Grayslake.

Postal Receipts Here In '49 Exceeded '48

A spurt in the last half of the year carried 1949 receipts at the Antioch postoffice to a \$551.84 excess over the 1948 receipts, Roy Kufalk postmaster, announced yesterday.

The 1949 receipts were \$37839.94 and contrasted with \$37288.10 in 1948, a difference of 1½ per cent.

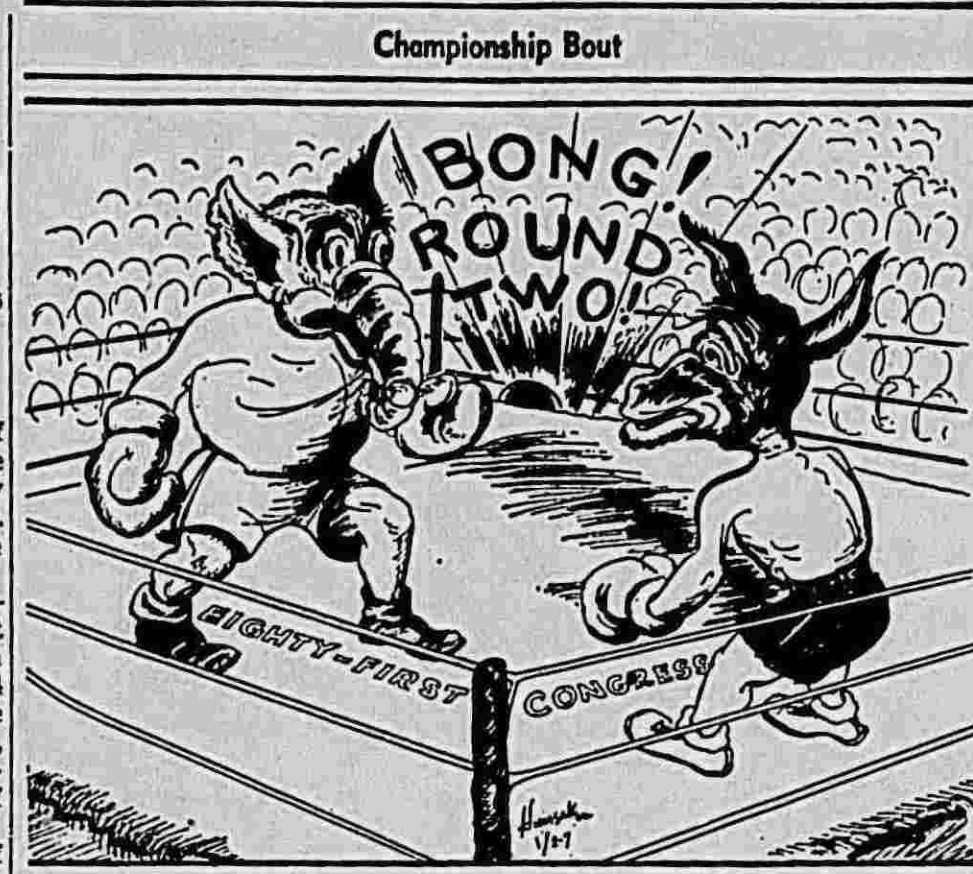

The first quarter ending in March saw but \$7,916.01 on the books as compared with \$8,706.43 during the same period in 1948. The second quarter ending in June was \$7,751.57 compared to \$7,940 in that quarter the previous year.

By the end of September the receipts had increased to \$9,950.46 contrasted with but \$9,067.05 for the third quarter in 1948, and at the end of December this year the quarter's business had produced \$12,221.90 income where for 1948 it was but \$11,574.62.

"To become a first class postoffice the receipts must total \$40,000 and we missed it by \$2,160," Kufalk said.

Heidt Show at Waukegan

The Marine Corps league at Waukegan is sponsoring a Horace Heidt production "Stars of Tomorrow" at the Waukegan armory on Friday, Feb. 17. Top contestants nationally on the radio show will give a three hour performance. Reservations are now being received by E. Cordonnier, 633 N. County st., Waukegan.

Antioch Falls Victim of Northbrook 36-34; Plays Palatine Friday

After leading 23 to 9 at the half, Antioch High lost to Northbrook here in basketball last Friday evening 34 to 36.

The Sequoits appeared to have the visitors' number when they held them to four points in the first quarter while scoring 13, and kept up the pace in the second quarter.

But the third quarter was a different story. Northbrook not only held Antioch to a single foul goal but McMillen, a guard drove through for two field goals and made all three foul attempts, becoming high scorer for the game with a total of 14 points.

The third quarter ended 24 to 22 with Antioch still leading, and though the Sequoits fought hard in the final quarter Northbrook continued hot at the basket and won by a nose.

Cardiff, Poulos and B. Haviland shared almost equal in the scoring for Antioch.

The Paposes didn't fare as well as the varsity, losing to the Northbrook underclassmen 19 to 28.

The Antioch teams will play the Palatine teams at that village Friday evening. Palatine is near the top in the conference standing.

Robert Wilton will return to the lineup following an operation.

150 Attend Lions Club Ladies Night Banquet, Installation Meeting

One hundred and fifty persons present at the installation of officers and annual Ladies Night dinner of the Antioch Lions club Monday night at Hank's on Skokie highway. A floor show of a very entertaining nature followed the dinner and the new officers were then introduced.

The new executives are Irving W. Carey, president; C. E. Gaffey and James E. Kopriva, directors for one year; Arthur Smejkal and Paul Erickson, directors for two years and William E. Brook, past president.

Others are Russell G. Holtz, first vice-president; K. F. Dietrick, second vice president; Robert J. Wilton third vice president; John H. Russo, secretary; George Garland, treasurer; William W. Horton, Lion tamer; and Tony Novak, tail twister. Carey has appointed members to 15 committees.

Grant Township Forms New Home Bureau Unit

The winter advisory council meeting of the Lake County Home bureau was held Tuesday, Jan. 10, at the Manor House, near Waukegan. Guests of the executive board for this meeting were unit presidents and program planning chairmen.

The women selected their lessons for the coming year from the many suggestions sent in by Home Bureau members. They also made plans for their annual meeting to be held in March. Mrs. John Stiehr, county president, presided at the meeting.

Mrs. Douglas Crooks, county vice-president, announced the organization of a new unit in Grant township and presented delegates present from this unit.

Mrs. Cardiff at Hospital
Mrs. Harold Cardiff was taken to Victory Memorial hospital Tuesday for surgery.

Kufalk Seeks Adequate Room for Postoffice Now Greatly Cramped

Present Room Does Not Fill Needs of Increasing Business Volume

Postmaster Roy Kufalk has written to the assistant postmaster general at Washington D. C., asking an inspection of the Antioch office with the hope of obtaining larger quarters.

Kufalk pointed out that the present room was perhaps adequate when he came to the office in 1926, only three persons being employed and the amount of business being at the time in contrast to six now, but one-fifth of what it is today, but now it is far from adequate.

The postmaster will be able to show the inspector that working tables overlap, and there isn't enough space for the employees to hang up their wraps, a toilet room being the only place for such purpose.

An inspector called out 15 months ago merely glanced at the present lease which has several years to continue and refused to go farther, it is said.

With scarcely any place to work third class mail, and for two days during the Christmas rush there were 47,000 stamp cancellations. The new census may make the village eligible for house to house delivery and there will be no place for city carriers to work. The three rural carriers have their throw boxes jammed together so that they are at a handicap in their work.

Lake-Cook Farm Co-op Will Declare Dividend Of \$100,000 Jan. 21

The board of directors of the Lake-Cook Farm Supply announced the twenty-second annual meeting of the stockholders will be held at the Elia Township High school, Lake Zurich on Saturday, Jan. 21. Owing to the many business details to be taken care of that day all those interested are urged to be there promptly at 10:30 a. m. when the meeting is called to order by Ed Harris, president of the company.

This meeting will be of unusual interest to all the farmers of Lake and Cook counties as the board of directors in a special meeting held recently reviewed the most successful year that the company had ever experienced and voted to declare dividends amounting to approximately \$100,000, which will be paid out that day.

Besides this big dividend payment interesting reports covering nearly a million and three-quarters dollar volume, which was done, as well as plans for the large expansion, which is taking place, will be discussed.

An interesting high light of the reports will be a review by Manager A. D. Smith covering the history of the company's business since 1928.

The entertainment committee has been fortunate in being able to obtain Paul Mathias, legal counsel of the Illinois Agriculture association, as the main speaker. Other attractive entertainment will be on the program.

The famous "Lake-Cook Lunch," which has become a standard of free lunches in this territory over the years, will again be served by the company employees. Everyone is urged to attend and everything is free.

Adult Class to Study Financial Problems in Home Making Routine

The adult class which started a week ago, will concentrate its cause of study for the first few weeks along the theme of financial problems in the home. This, according to those in charge, should prove to be a very enlightening study to all homemakers.

It is the wish of the instructor, Miss Naomi Meiners for more women to attend these sessions. They will meet every Wednesday for the next eight weeks from 7:30 until 9:30 in the home economics room. They will be in session the same night as the adult class for men in agriculture.

A very interesting meeting is being planned for next Wednesday, Jan. 18. Attorney Thompson will be present to discuss legal problems confronting the homemaker. "Plan to attend any or all of the sessions" Miss Meiners urged.

Keller Again to Seek Office as Representative Of 8th Senatorial Dist.

State Representative Nick Keller (Republican, Waukegan) today announced his candidacy for return to the Illinois House of Representatives in the Republican party primary election in April. Rep. Keller represents the eighth senatorial district, composed of Boone, Lake and McHenry counties.

During the last session of the general assembly Rep. Keller introduced and secured the passage of several bills of particular interest to the voters in his district. Among other laws he sponsored and secured the passage of a bill which improved the police pension act with the object of insuring its solvency. He also secured passage of a law which increased railroad safety.

He was one of the co-sponsors of an act which is intended to reduce divorces by requiring a "cooling off" period between the time of filing the intent to apply for a divorce and the actual filing of the petition. Out of the total number of 16 bills he sponsored or co-sponsored during the session 11 became law which is an enviable record.

Rep. Keller has represented his district for the past seven sessions of the legislature. During this time he has been especially interested and active in all legislation related to establishing good pension laws for various state and municipal employees, strengthening the common school system, legislation aiding the teaching profession, encouraging and aiding small business, eliminating racial and religious hatred and discrimination, aiding labor, protecting fish and game, and encouraging the creation of state parks and recreation grounds in his district.

His friends and supporters believe that his early life spent as a steel worker and his many years experience as a municipal administrator, as a farmer, and a legislator have made him conversant and responsible to all the various problems which concern the people in his district.

Mrs. May L. Sarley, 57 Dies After Long Illness; Funeral This Afternoon

Mrs. May L. Sarley, 57, a resident of 1060 Main st., Antioch and 4817 Rice st., Chicago, died at 5:05 a. m. Monday at St. Therese hospital in Waukegan after a lingering illness.

The funeral service was held at 2 p. m. today at the Strang Funeral Home with the Rev. Mr. Roberts Ehrhott in charge. Burial was in Hillside cemetery.

Mrs. Sarley was born Jan. 1, 1893 at Gananoque, Ontario, Canada. She came from Canada to Illinois in 1923 and resided here and in Chicago the rest of her life.

Surviving are the husband, Michael, the daughter, Mrs. Margaret Dalziel, of Antioch; a sister, Mrs. C. Armstrong of Napanee, Ontario, Canada; two brothers, Joe and John Case of Gananoque and a granddaughter, Etta Mae.

Dan Sheehan Undergoes Surgery
Dan Sheehan, of Lake Villa, father of Mrs. Fred Stahmer of Antioch, underwent an operation at St. Therese hospital in Waukegan. His condition is serious.

Will You Help?

During the last holiday season, as in the past, tragedy came to many homes. It came in the form of fire. In some instances, it left dead, maimed and suffering human beings behind. In one case a fire which started with a Christmas tree destroyed most of a town.

So, again, the nation has been shown that fire is one of the greatest menaces to life and property—and a menace which is always waiting for a chance to strike.

Yet the terrible toll which fire took in 1949 need not be repeated in 1950. Fire is not an enemy against which there is no practical defense. It is, on the contrary, an enemy which can be captured and controlled. The experts say that something like 90 per cent of all fires are unnecessary—they could have been prevented with just a little thought, a little time, a few simple precautions. Most fires start from the simplest hazards, carelessness with smoking materials, frayed electric cords, improperly maintained stoves and furnaces, accumulations of trash, and so on. You don't have to be an authority on fire prevention to get rid of these hazards in your home or place of business and the cost is small.

This year, organized fire prevention will go ahead in high gear. It will be successful if, and only if, it is given public cooperation everywhere. Your life and your property may be at stake. Are they worth protecting?

Will Thrift Be A Crime?

The American Farm Bureau Federation recently issued an important statement of policy. The Federation affirmed its stand in favor of the laws which prohibited monopoly and restrictive practices in restraint of trade. It then said: "We do not, however, agree with the interpretations which apparently are being given to these laws in certain recent cases and administrative rulings. In this highly controversial field it is important that distinction be made between

conditions reflecting the effects of vigorous competitive actions and actual monopoly power. Size and area of activity are not necessarily indications of monopoly. Regulations should not be used to eliminate the possibility of integrated systems that are efficient and competitive. Such systems have the possibility of bringing about a badly-needed reduction in the margins that now exist between the producers and the consumers of many items."

This takes on a special significance in the light of the government's antitrust case against a big chain store system. This system obviously has no monopoly of anything—it must compete directly with other chains and with thousands of independent stores in the states in which it operates. It obviously is not destroying other merchants—they are growing and prospering and increasing their customers. The government's case, therefore, seems to be based on the idea that size is a crime—and reducing prices to the public is also a crime.

If that idea should ever prevail, we can quit talking high living standards and abundance and get ready for much lower standards and scarcity. Efficiency, economy and good service will be out of date. The dollar will shrink some more. Is that what the American people really want?

* * *

Political Monopolies Reach Out

John C. Doerfer, chairman of the Public Service Commission of Wisconsin, has warned that the Federal government is trying to extend its regulatory control over intrastate, as well as interstate, matters. He cited a case where the Federal Power Commission claimed jurisdiction over a utility company which had no property or any activity outside of the state. Then he said: "Once it gets its foot into the door, control of the state . . . will be so emasculated that effectiveness will be nil."

"At best it invites a duplication of regulation which will be both impracticable and expensive . . . If successful such efforts will reduce the states to groveling puppets before a Washington bureaucracy. The right to conduct the internal affairs within a state will be merely measured by the success of the bazaar state's ability to wheedle favors from those in power. Control of local affairs by the people directly concerned will be gone forever."

A similar warning has been issued by Harry Miller, a member of the Public Service Commission of Ohio, who said that "zealots" in Federal bureaus "would have Federal control supplant traditional state regulation."

This trend is undoubtedly an offshoot of the drive to socialize the utility industry. State regulation has a splendid record. The state commissions know local needs, problems and desires. They can deal with each problem on its merit and come to fair decisions. They have been of service in helping give us an abundance of low-priced power.

If their authority is destroyed by Federal bureau monopolies, the states will be set back another step toward becoming political nonentities.

LAKE VILLA

Mr. and Mrs. Walter Horenberger are spending two weeks on a vacation in Florida while Mr. Horenberger is away from the Lake Villa bank where he is employed. Mrs. Horenberger's mother and brother, of Libertyville, are staying at the home with the Horenbergers' daughters.

Mrs. Bessie Boyer who recently returned from a month visit in California and is now with her son, Richard and family, in Chicago, attended W. S. C. S. meeting last Wednesday and spent a few days with Mrs. Clifton Bray and her sister, Mrs. Virginia Smith.

Mrs. Harvey Obenau and infant son returned home Saturday from Condell hospital and are doing nicely.

Mr. and Mrs. Willard Keefe and Mrs. Ella Carlson, of Waukegan

visited at the Paul Avery, Sr., home last Sunday.

Mrs. Paul Avery, Sr., entertained the ladies of the sewing club at a luncheon at her home Thursday afternoon last week.

Mr. and Mrs. Wm. Walker and son, Edward, visited relatives at Oak Forest last Sunday when Mrs. Walker's sister's granddaughter was christened.

Dan Sheehan is in St. Therese hospital for observation and treatment.

Miss Olive Nelson, of Waukegan, was guest of her friend, Mrs. Harriet Ballenger over Sunday and attended services at the Community church.

Mrs. Eugene Sheehan, of Antioch, her mother, Mrs. Paul Avery, Sr., Mrs. Al Boehm visited Mrs. Ruth Schumacher and her mother, Mrs. Church, at their home at Wonder Lake last Friday. Mrs. Schumacher who has been ill is improving.

This Sleek 4-Door 6-Passenger Tourback Sedan heads a line-up of six smart SUPERS, all powered with the surging new F-263 straight-eight engine, very latest word in valve-in-head lift and life.

"FASHIONED for every taste—
Priced for every BUDGET"

Look over the 1950 Buick line, which these three high-fashioned honeys represent, and decide for yourself if that's truth or just talk.

Nineteen—Yes, 19—smart new and varied models to choose from, and all with the eye-catching styling of bold-lined bumper-guard grilles, sleek tapering fenders, the over-all look of a jet plane in flight.

Three full series—SPECIAL, SUPER and ROADMASTER—with SPECIAL models available in both standard or de luxe finish.

Three separate power plants—in five horsepower ratings—all more powerful, higher in compression, all Fireball valve-in-heads—and one of them, the sensational new F-263, giving SUPER models extra brilliance on the road.

Four wheelbases—all planned for riding comfort—with overhang reduced to make parking and garaging easier. Roominess galore, with rear seats as much as 13 inches wider.

Plenty of outlook as well. And the abiding comfort of coil springs on all four wheels. And the steady going of torque-tube drive—plus Safety-Ride rims for comfort plus control.

Then look at prices—do they really fit any budget?

They range from the fine-car level of the ROADMASTER down to just-above-the-lowest figures on the SPECIAL. But even these are so little above anything else—buy you so many more years of happy use—and give you a car of such consistently-better trade-in value—that you'll

find Buick reachable by buyers in any price range.

So why not get the whole story, price and all, from your Buick dealer now? Deliveries are good, the "deal" is right, and a signed-up order steps you up to that Buick you've always dreamed about!

Here's the Smart SPECIAL 3-passenger Coupe, one of seven smart models. Dynaflo Drive optional. Horsepower—115 with Synchro-Mesh transmission, 122 with Dynaflo.

LOOK HOW
BUICKS DELIVER!

THE BUICK SPECIAL 3-Passenger Coupe pictured here delivers at your door for ... \$1880.00
(Dynaflo Drive available at extra cost)

THE BUICK SUPER 4-Door 6-Passenger Sedan pictured here delivers at your door for ... \$2220.00
(Dynaflo Drive available at extra cost)

THE BUICK ROADMASTER Riviera pictured here, including Dynaflo Drive, delivers at your door for \$2895.00

Optional equipment and state and local taxes extra. Prices subject to change without notice. Prices may vary slightly in adjoining communities due to transportation charges.

Six ROADMASTER Models, including the ultra-smart Riviera, cover the fine-car field. 152 hp. Fireball straight-eight engine, Dynaflo Drive standard.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

SOCIETY EVENTS

Rebekah Lodge to Hold School of Instruction; Installs 1950 Officers

Lakeside Rebekah lodge will hold a school of instruction next Wednesday starting at 2 p. m. and followed by a pot luck supper at 6 p. m. Mrs. Grace Baird, of Waukegan will be the instructress.

The regular business meeting of the lodge will be at 8 p. m. The lodge installed its corps of officers for 1950 last Wednesday evening.

Mrs. Lillian Hand was installing deputy president, Mrs. Floyd Horton, deputy marshal; Mrs. Nelson Drom, deputy recording and financial secretary; Mrs. Eva Burnette, deputy treasurer; Mrs. Hilda Peterson, deputy outside guardian; Mrs. F. A. Swenson, inside guardian; and Mrs. L. R. VanPatten, Sr., musician.

Mrs. Anton Johnson was installed as noble grand, Mrs. Clara Wilton, vice grand; Mrs. C. L. Heath, recording secretary; Mrs. Bernice Clark, financial secretary; Mrs. M. M. Stillson, treasurer; Mrs. Ray Cobb, warden; Mrs. Velma Jackson, conductor; Mrs. L. R. VanPatten, musician; Mrs. Hand, Mrs. Frieda Wertz, Mrs. Eva Burnette, supporters; Mrs. Mary Runyard, inside guardian; and Mrs. Edward Jahnke, outside guardian. Mrs. Harold Ellis was the retiring noble grand.

Mrs. Mildred Black, Highland Park, president of District 3, was present at the installation.

Mrs. Johnson, noble grand, appointed Mrs. Ellis, Mrs. Nelson Drom and Mrs. John Horan, Sr., on the finance committee; Mrs. Cobb, Mrs. Jahnke and Mrs. Floyd Horton on the ways and means committee; Mrs. Clara Wilton, Mrs. Olive Palmer, Mrs. Rena Clarke, Mrs. Frieda Wertz and Mrs. Tillie Miller on the finance committee; Mrs. Drom, Mrs. Maxine Cobb and Mrs. Frieda Schmidt on the resolution committee. The lodge trustees include Mrs. Rena Clarke, Mrs. Mary Runyard, Mrs. Ida Osmond, Mrs. Mary O'Brien and Mrs. Lee Tweed.

Refreshments were served at the close of the meeting by Mrs. Ellis and Mrs. Zella Larsen.

Holy Name Society Meeting Has Record Attendance of 86

A record attendance of 86 men attended communion and the breakfast that followed at the St. Peter's church under the sponsorship of the Holy Name society Sunday morning.

Cmdr. J. D. Crowley of Great Lakes gave such a worth while speech in the opinion of the Rev. Francis Flaherty that he regretted that the entire membership of the parish had not heard it.

The next meeting on Monday, Feb. 20 will be observed as a night for the initiation of new members.

LEGION MEMBERS GET BID TO AUXILIARY MEETING

Antioch unit 748, American Legion auxiliary has extended an invitation to the Legion post to attend their meeting at 8 p. m. tomorrow (Friday) in hearing Bernard Schiff of Deerfield, judge advocate, 10th dist. American Legion, speak on legislation. The president of the unit believes that all members should attend.

FIRST NATIONAL BANK EMPLOYEES ARE GUESTS OF THE WM. SCHROEDERS

William E. Schroeder, president of the First National Bank of Antioch, and Mrs. Schroeder were host and hostess to the employees of the bank at a dinner party Dec. 27 at the Ivanhoe club in Chicago. The guest list included Mr. and Mrs. Joseph Horton, Mr. and Mrs. Jacques Koppen, Mr. and Mrs. Donald Hills, Miss Jean Vos, Miss Alyce Pedersen, Dean Sletten and Donald Irving, E. J. Sletten, cashier, was unable to attend because of the illness of Mrs. Sletten.

The January business meeting of the St. Ignatius' Women's Auxiliary was held Wednesday (the 11th) at the home of Mrs. Fred Hawkins on Main St. The retiring president, Mrs. Donald Stowe was presented with a Prayer Book in appreciation for three years in office. New officers are: Mrs. Ralph C. Jepsen, president; Mrs. Maurice Radke, 1st vice president; Mrs. Ernest Brook, 2nd vice president; Mrs. John Horan, Sr., secretary; and Miss Ethel Adams, treasurer.

The girl's choir of St. Ignatius church, directed by Mrs. Earle Hays had a supper party after rehearsal on Monday. New officers were elected.

Mr. and Mrs. Henry Mau visited with their friends, Mr. and Mrs. Henry Nagel at their home in Blue Island, Saturday, and were present at the open house which the Nagels held in celebration of their 60th wedding anniversary. Mr. and Mrs. Nagel have made many visits to Lake Marie in past years.

Music and Readings To Highlight Club Meeting of Women

Monday's meeting of the Woman's club will mark one of the highlights of the current year.

Richard Kaufman accompanied at the piano by his mother, Mrs. A. H. Kaufman, will present a musical program consisting vocal selections. Mrs. Arthur Meyers will entertain the group with readings.

In addition to this there will be a welcome to new members who have been received into the club since Jan. 1, 1949.

Mrs. S. B. Nelson is chairman of the social committee.

Altar and Rosary Will Sponsor Picture on Mass

The ladies of St. Peter's Altar and Rosary society are sponsoring the showing of a picture which explains the rituals and prayers of the Roman Catholic mass. It is an educational and interesting picture and the public is cordially invited by the sponsors to see it. There will be no charge for admission.

The date is 8 p. m. Thursday, Jan. 19, in the church hall.

Library Notes

Jay Monaghan, Illinois state historian and an authority on the early history of Illinois, has put together a fascinating pictorial history of the French explorers and Indian days through all the notable events in our history—the various state capitols, the Chicago fire, Lincoln and Douglas, and the role of Illinois in the wars from the Mexican War to World War II.

In "Abe Lincoln of Pigeon Creek", William E. Wilson tells the story of Lincoln's early life, from his father's second marriage to his trip down the river where he first saw the slave market. Although the book is fiction, it is a remarkably convincing portrayal based on authenticated reports of these rather obscure years in the great president's life.

Both of the above books were presented to the Antioch Township Library in memory of Mrs. W. R. Williams.

REARDON - McDOUGALL M. Y. F. LEADERS

Methodist Youth Fellowship will meet next Sunday at 4:30 p. m. The highlight of the afternoon will be folk dancing, with Miss Bean in charge. George Reardon and Betty Jean McDougall will conduct the discussion and worship services.

Last Wednesday, the M. Y. F. basketball team won over North Prairie, 22-18. This was the second victory in the Northern Illinois Church Conference League for the Antioch team.

PARENTS OF DAUGHTER

Mr. and Mrs. William Dow are the parents of a daughter, Jeannine, born Sunday at Victory Memorial hospital, Waukegan. Mrs. Dow is the former Miss Mable Lou Hunter daughter of Mr. and Mrs. Elmer Hunter.

ST. IGNATIUS WOMEN ELECT NEW OFFICERS

The Woman's Auxiliary of St. Ignatius church met at the home of Mrs. Fred Hawkins Wednesday, Jan. 11, and elected as officers for two year terms, Mrs. Ralph Jepsen, president; Mrs. Maurice Radke, first vice president; and Mrs. Ernest Brook, second vice president. Miss Ethel Adams was re-elected treasurer and Mrs. John Horan, Sr., secretary.

W. S. C. S. TO HOLD BUSINESS MEETING

Members of the Women's Society of Christian Service of the Methodist church will hold an important business meeting following the morning church service Sunday, Jan. 15. The next regular meeting of the Society will be held at the church Feb. 1st.

ATTEND WEDDING RECEPTION

Mr. and Mrs. Joseph Horton, Mrs. Effie Nelson, Mrs. Walter Hills and Lester Nelson attended a wedding reception for Mr. and Mrs. Clifford Laursen, held at the Seahorse club in Waukegan, Saturday evening. Mrs. Laursen before her marriage was Miss Betty Kaiser, of Lake Villa. Mr. Laursen is the son of Mr. and Mrs. Raymond Laursen of Zion.

The 4-H Clover Club held its regular meeting January 9, at the home of Marlene Bolton at Lake Villa. Demonstrations in making fudge were conducted and refreshments were served by the hostess. The next meeting will be held at the home of Arleen Cribb, Jan. 23.

Ira Simons celebrated his eighty-second birthday anniversary with a turkey dinner at the home of his sister, Mrs. Dora Sabin, 1060 Victoria Street, on January 2. Congratulations Ira.

Lester Nelson and daughter, Charlene, Mrs. Effie Nelson and Mr. and Mrs. Joseph Horton attended the Sonya Henic Ice show at the Chicago stadium Sunday.

SALEM

Mr. and Mrs. Eugene Pierce, of Kenosha, spent Saturday evening with Mr. and Mrs. Byron Patrick. Mr. and Mrs. Henry Grewe have returned from a two week's trip to Florida.

Mrs. Charlotte Bloss visited her sister, Mrs. Harriet Krautkramer at Antioch Thursday afternoon.

Mr. and Mrs. Kenneth Brown and son, Billie, spent the weekend with their parents, Mr. and Mrs. Fred Stephens.

Mr. and Mrs. Norman Barthel, of Phillips, Wis., have returned to their home after spending the past week with relatives.

Mrs. Charlotte Bloss spent Sunday afternoon with Mr. and Mrs. Clarence Crowley of Antioch.

Mr. and Mrs. Martin Schenning and son spent Sunday evening with Mr. and Mrs. David Elfers.

Mr. and Mrs. David Elfers spent Sunday afternoon with their daughter, Mrs. Herbert Heines and family at Kenosha.

Mrs. David Elfers spent Tuesday with her daughter, Mrs. Elmer Fleming at Burlington.

Mr. and Mrs. Byron Patrick called on Mr. and Mrs. Milton Patrick of Trevor Sunday afternoon.

"Standard Matched"

With softwood flooring, "standard matched" means that the upper lip of the groove is thicker than the lower. The thickness of the lower lip is the same for all standard thicknesses of flooring, and hence the difference between the upper and lower lip becomes more pronounced in the heavier thicknesses.

ALLENDALE ROUTS

The Allendale Tigers made Gavin Grade school their third conference victim, to go into a tie for first place in the newly formed Northern Lake County Grade School Conference. This was the fifth straight win for Allendale against no defeats. Allendale's leading scorer, Bert Heuer, lead the attack with 21 points, followed by Bob Seymour who netted 15.

Box Score, Heavyweights

| Allendale | fg. | ft. | pf. |
|-------------|-----|-----|-----|
| Leatham | 3 | 0 | 1 |
| Cleary | 0 | 1 | 5 |

An English law in the 15th century forbade anyone under the rank of baron to wear shoes with leather soles!

Ray T. Nicholas Speaks At First Agriculture Adult Evening Class

Farm Adviser Ray Nicholas presented the farmers attending the agricultural evening school at Antioch High school last Wednesday evening a very interesting and educational talk on "Soil Testing."

Mrs. Nicholas assisted Mr. Nicholas by giving a demonstration of soil testing. She tested 12 soil samples from Lake County for calcium or limestone and phosphorus.

Nicholas told the class members that they had tested soil from 240 farms in Lake County during 1949, and that the total number of acres tested was 10,000. At this rate, it would take 11 years to test all of the soil in Lake County and then it would be time to start over again. Of all the soil tested in Lake County 85% of it was low in phosphorus.

The topic for this week's meeting will be "How Should Certain Soils be Handled and Which Crops Should We Grow on Which Soils?" The topic will be discussed by August L. Wickert, Vocational Agriculture Instructor at Antioch High school. The meeting began at 8:00 o'clock and lasted about two hours.

Next week's meeting is to deal with "The Nutrients Required by Different Crops and How They Get Them." Also along with this discussion will be a heat demonstration which is supplied by the Northern Illinois Public Service Co. This demonstration will show equipment which is available to use in electrical heating on the farm.

Antioch Recreation won two out of three from Barnstable and Brogan. H. Beduhn 501 for Recreation. M. Walsh 486 for B. and B.

Gibbs Enter Fishing Contest

Earle Gibbs in catching a 2-pound 2 ounce snapper and his wife, Genevieve, in landing a snapper weighing 2 pounds and 14 ounces, while fishing from the 7 mile bridge near Miami, Fla., earned for them an entry award in the annual Metropolitan fishing tournament there. While not top fish in its class, the catch will earn for the Antioch people an entry award and one of the attractive year books issued at the close of the tournament.

New Plymouth Special DeLuxe Four-Door Sedan

The Plymouth Special DeLuxe four-door sedan, one of nine new models, is shown above. The car contains important styling changes and improvements for safety and comfort. Its high compression engine and many mechanical features provide lively, economical performance.

Plymouth Has New Look Both Coming and Going

The 1950 Plymouth car, with important styling changes and improvements for safety and riding comfort, will go on display in dealer showrooms throughout the country January 12.

There are new lines in the silhouette which give the new Plymouth a longer, lower, more streamlined appearance. The changes are readily apparent whether viewed from front, rear, or side.

Rear fenders, which are bolted on for economical removal in case repairs are necessary, have been restyled and lengthened. A larger rear window on club coupes and four-door sedans, slightly greater overall width, and alterations on the rear deck provide a longer, heavier, road-hugging appearance for all models. The grille has been simplified and made more massive. It consists of two large horizontal bars with a curved-down top member and a single vertical bar at the center. Above the grille the Plymouth name plate appears in larger block letters, and a bigger, more colorful medallion has been placed over the name plate.

Described as "Packed with value

and ready to prove it," the new Plymouth was characterized by D. S. Eddins, president of Plymouth, as "The greatest car value we have ever offered the public."

"When we speak of value," Eddins said, "we mean that we have combined beauty with sensible styling, that we have achieved big-car performance with small-car economy, and that the mechanical excellence of which we have always been proud has maintained its high level."

The front and rear tread have been increased, a factor which increases stability, eases tire loading stress on curves, and enhances the car's general appearance. Thirty-two per cent larger than on previous models, the new rear window increases visibility and its lines blend into the car's new streamlining motif. The window is set in a newly designed locking rubber seal.

There are larger bumpers on both front and rear. In addition to providing greater protection for the grille, rear deck and fenders, the bumpers add materially to the general appearance of massiveness.

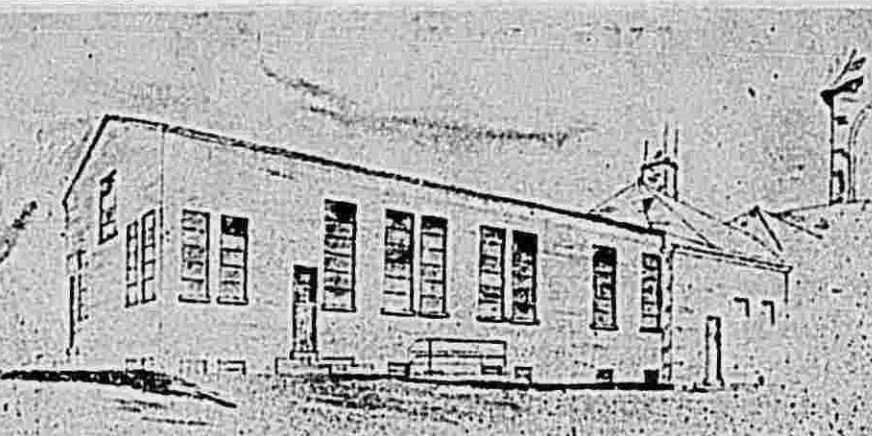

The theme of simplicity which has been carried out in the medallion and name plate on the front has

been continued in the ornamentation of the rear deck. The block-letter name plate, the license plate light ornament, the license plate recess, and the T-shaped luggage compartment handle are styled to accent the car's low, sleek lines. Combination tail lights and stop lights are set into each rear fender.

The redesigned instrument panel provides new backgrounds of transparent gunmetal on spun aluminum for the gauge dials, speedometer, radio dial, and clock. The gunmetal finish is also used on the radio grille screen. There are larger rotary switch knobs which are easier to operate.

Features for performance, comfort and safety which were previously introduced in the Plymouth line have been retained. The car has characteristic interior roominess, a ample head and leg room, and wide, deep chair-height seats. The six-cylinder, 97-horsepower engine has a 7 to 1 compression ratio. The combination ignition and starter switch, automatic electric choke, super-cushion tires, safe-guard hydraulic brakes and safety-rim wheels are among the "high-priced car" features contained in the new Plymouth.

Addition to Methodist Church Planned

Methodist Campaign Is In Full Progress With Sunday for Consecration

The Methodist Church financial campaign is in full swing under the direction of the Rev. A. L. Stevenson, sent here by the Board of Missions at Philadelphia, Penn. The campaign is to raise funds for the new proposed addition to the church which will be located directly back of the church and will extend 90 feet with approximately a width of 50 feet.

The walls of the new building are expected to be constructed of brick veneer. There will be an abundance of entrances with two at the side and one at the rear of the building. Extensive window views will be one of the features of this much needed addition.

There will be considerable worship service space for the church school. The nursery and beginners departments will have considerable room for sand boxes, clay pits and educational games, the primary department will have its own worship space as well as the nursery and beginner departments, there will be six individual classrooms leading off the primary worship center. The junior department will have its own worship center with individual class rooms, and the intermediate department, which includes the sixth grade through the eighth grade will hold its worship service downstairs also. After its service is over the students will go upstairs to their class rooms. The high school classes will have their own worship center and individual class rooms downstairs. Adult groups will have their section upstairs in the new addition. The women of the church will have their society room downstairs which will also include a small auxiliary kitchen to serve small groups.

Ample wash room space is being considered along with convenient

approaches from the outside entrances to all class rooms, besides many other features by Staben and Hooper and Associates, Waukegan architects. Movable partitions will be moved upstairs on the second floor so that it may be converted into a youth fellowship room. There is to be a stage at one end of the gym with dressing room. A new modern kitchen is being designed by a special engineer of Staben and Hooper firm to give the church a modern and convenient place to serve meals. The capacity for meals on the second floor will be between 250 and 300.

The organization for the crusade is now complete. Mr. Stevenson is the crusade director, being assisted by G. Richard Tuttle, pastor of the church. The crusade committee consists of the following: Louis Horton, chairman; George Good, treasurer; Roy Kufalk, secretary and membership consisting of Mrs. O. R. Raether and E. W. Kufalk. This committee will handle all financial matters concerning the new addition. The publicity committee is now making up the brochure to be used in the drive. Much help was given this committee by George Borovicka who took many pictures last Sunday of the crowded conditions at the church school. More than 200 students, the usual attendance, were at the school of whom many received pins for perfect attendance during the last quarter as well as over the last year.

Sunday will be consecration Sunday with the Rev. Mr. Stevenson giving the message for the week titled, "The Spirit of the Master". The church choir under the direction of Charles Watson will sing "Lead Me All The Way".

The division chairmen comprised of Mrs. D. N. Deering, Mrs. C. L. Heath and Robert Wilton, Sr., will meet with their "visitors" teams on Monday evening at 8:30 p. m. for dinner. The church is giving this dinner to the fifty "visitors" who will receive special instruction for their visits on Tuesday and Wednesday evenings, Jan. 17 and 18. People of the church and the church school are requested to stay home

as this will make their work much easier if they do not have numerous call-backs.

The special gifts committee is being formed with S. Boyer Nelson, as chairman.

Bird on Flying Trapeze

The reddish egret of Florida is one of the most skillful balancers in the world. He can stand on a swaying vine even in a strong wind.

Ravenglen Farm Cow Has 778 lb. Production Test

Brattleboro, Vt.,—Ravenglen Princess Triune Creator, a registered Holstein-Friesian cow owned by E. H. Ravenscroft, Antioch, has completed a 365-day production test of 778 pounds of butterfat and 19,441 pounds of milk testing 4 percent made in herd improvement registry.

Testing was supervised by the University of Illinois, in cooperation with the Holstein-Friesian Association of America.

This cow was milked 3 times daily and was 8 years of age when she began her test period.

Family Relations to be Theme of High School Social Club Meeting

The Antioch High school social organization will meet at 8 p. m. Tuesday, Feb. 7, at the school with theme of the meeting dealing with "Family Relations."

The executive committee and Principal T. R. Birkhead have planned a speaker for this, the second meeting of the year, and his topic will deal with this theme.

Hans Von Holwede, music instructor in the high school, will have charge of the musical part of the program.

TAKE THE WHEEL OF A '50 FORD

Yes, 10 minutes at the wheel will introduce you to the wonderful "feel" and amazing, sound-conditioned quiet of the '50 Ford. You'll discover the comfort of Ford's "Mid Ship" Ride... its bump-easing "Hydra-Coil" and "Para-Flex" Springs... its 35% easier-acting King-Size Brakes.

"YOU'LL SEE
THE DIFFERENCE"

"YOU'LL FEEL
THE DIFFERENCE"

"YOU'LL HEAR
THE DIFFERENCE"

There's a  in your future
...with a future built in

Only Ford in its field offers a V-8... a new, "hushed" V-8 engine (the type used in America's costliest cars). It's so quiet you can speak in whispers. Yet it sells for hundreds less than all other "eights"... even hundreds less than most "sixes."

Antioch, Ill.

"TEST DRIVE" THE '50 FORD—It will open your eyes!

LAKE VILLA

(Continued from page 2)

The Stearns school of Gurnee is sponsoring a card party and dance on Saturday, Jan. 14, at 8 p. m. Bob May's orchestra will play and the public is invited. Mrs. A. H. Johnson is publicity chairman.

Mr. and Mrs. Hans Nelson, of East Shore Gardens entertained a number of friends and relatives at a smorgasbord dinner at their home last Sunday. Guests included their son, Ted and wife, their daughter, Mrs. Steve Doyle, husband and daughter, Geraldine, all of Chicago, also Mr. and Mrs. Marshall Wylie, Mrs. Adeline Cisar, Mr. Anton Matezynski, Mrs. Carol Porter, Nancy Wood and Miss Henrietta Metz, of Allendale and Mr. and Mrs. Chas. Nelson, of Lake Villa. Many were not able to attend because of illness, but those who were privileged to be present had a very enjoyable day.

Mrs. Edna Cable and Mrs. Anne Nelson were dinner guests of Mr. and Mrs. Emil Kasten, near Kansasville, Wis., on Wednesday last week. The 500 club met last Saturday night with Mr. and Mrs. Herman Keisler at their home near Twin Lakes, Wis., and first prize winners were Mrs. Anne Nelson and Jake Fish, second prize winners were Mrs. Lela Barnstable and Wm. Fish, while the consolation prizes were awarded to Helen Fish and Clarence Blumenschein.

Girl Scout Notes

The Girl Scouts spent December in making Christmas tree ornaments from pipe cleaners, wooden spoons, crepe paper and other odds and ends. On Dec. 14, the entire troop, through the courtesy of the Halcyon club, was able to see the movie, "Heidi", at the church. On Monday, Dec. 19, the Scouts were guests of the Antioch Woman's club at their annual Christmas party for the Antioch Girl Scouts. The Lake Villa girls were delighted by the pedal marionette show, which was a feature of the party. On Dec. 26 the girls had an end-of-the-year party at the home of their leader, Mrs. Meinersmann. A gift grab-bag was held and games were played. All the girls played "crazy ping pong" until they were exhausted and then refreshments were served.

Mrs. Meinersmann regrets to announce that she will be unable to continue the Scout troop for the coming year. However, she has been fortunate to have Mrs. Harold Du Brock of Wedges Corners, volunteer to continue the troop activities. Please watch this column for further announcements of troop doings.

Church News

A new venture in Christian Education was launched Sunday morning with the first session of the University of Life meeting in the pastor's home. This new organization is a group of adults meeting every Sunday morning to discuss controversial subjects of interest to the total community. A sound film was shown on the latest protestant missionary effort in Japan. There followed a lively discussion on the importance of foreign missions and wisdom of imposing western civilization on the Orient. This discussion will be continued next Sunday and until interest is no longer keen upon the subject. Whenever this occurs, either soon or late, a new subject will be discussed. Check-lists were distributed Sunday from which future forum-discussions will be chosen. An early survey of these lists indicate that the next question will be, "Does a person's religion and mental condition affect his health?" Every adult with a mind searching for truth is invited. No subject will be barred from the discussion which any member of the group feels an interest in. Coffee is served at each meeting.

The Intermediate Youth Fellowship was organized Sunday evening with a great deal of interest and enthusiasm. Plans were made for weekly meetings and monthly parties for the rest of the year. The following officers were elected: Donna Martin, president; Paul Williamson, vice president; Jackie Martin, secretary; Lillian McNeil, treasurer and Jerry, the song leader. This group meets every Sunday evening from 6:45 to 8:30 and is open to all young people in the 6th, 7th, and 8th grades.

The W. S. C. S. will meet Wednesday, Jan. 17, at 12:30 with Mrs. Stella Pederson and Mrs. Bill Weber as hostesses.

It is not too late for girls to become members of the Church League Basketball team. Miss Donovan has been secured to coach the team. Regular games will be played on Wednesday evening and practice sessions will be held on Monday and Friday after school. To be eligible to play, a girl must attend 4 worship or youth meetings, two of which must be at the Community church. The other two may be in the church of the girls' choice.

Furniture

Until about 100 years ago all furniture was made by hand, and a furniture factory was unheard of. The industry has grown apace with the constantly improving living conditions in this country of homes.

Fast Ride

Soviet automobile-builders have tested a new 900-pound car that will go 102 miles an hour.

New Landing Gear

Crosswind landing gear, newly developed for airplanes, enables the pilot to land into the wind even when the wind is at an angle to the runway, says Carl Markwith in the National Geographic Magazine. A caterpillar-like device inside the wheels brings them automatically into line with the runway when they touch the ground.

Canyon De Chelly

Canyon De Chelly in the vast Indian country of northern Arizona contains more than 300 prehistoric sites and 138 major ruins.

Cosmopolite

John Cabot was an Italian whose discoveries gave England a claim to the land in North America. The great explorer was born June 24, 1450.

LEGAL NOTICE

CERTIFIED COPY OF RESOLUTIONS OF THE BOARD OF DIRECTORS OF FIRST NATIONAL BANK ANTIOCH, ILLINOIS

At a meeting of the Board of Directors of the First National Bank held on Oct. 18, 1949, the following resolutions were adopted:

WHEREAS by Section 17 of "An Act to revise the law in relation to promissory notes, bonds, due bills and other instruments in writing" approved March 18, 1874, as recently amended, it is provided in part that any bank doing business within the State of Illinois may select any one day of the week to remain closed and that any act authorized, required or permitted to be performed at or by or with respect to such bank on a day which it has selected to remain closed under the provisions of said Act may be performed on the next succeeding business day;

NOW THEREFORE, BE IT RESOLVED that pursuant to all the provisions of the aforesaid Act this Bank hereby selects and designates the third day of the week, commonly called Wednesday as the day of the week to remain closed, commencing with Wednesday the 7th day of December, 1949.

BE IT FURTHER RESOLVED that the Cashier of this Bank, the officer having charge of the records of this Bank, shall be and he is hereby directed to certify a copy of these resolutions, to file the same with the Recorder of Deeds of Lake County and to publish the same at least once each week for three successive weeks in a newspaper of general circulation in such county, all prior to the date of such first closing.

I, the Cashier of the First National Bank, Antioch, Illinois, do hereby certify that the foregoing is a true copy of resolutions adopted by the Board of Directors of the said Bank at a duly constituted meeting of the said Board held on the 18 day of Oct., 1949, and entered upon the regular record book of said Bank.

E. J. Sletten
Cashier

This Week's Bible Verse

And he shall take the two goats, and present them before the Lord. And Aaron shall cast lots upon the two goats; one lot for the Lord and the other lot for the scapegoat. —Lev. 16-7-8

Goat

A person who is blamed for another's derelictions is spoken of as "the goat". This is a shortened form of "scapegoat", a term of Biblical origin. In the 16th chapter of Leviticus a scapegoat is described as a goat, chosen by lot, to be presented to the Lord as a sin offering. "But the goat, on which the lot fell to be the scapegoat, shall be presented alive before the Lord, to make an atonement with him, and to let him go for a scapegoat into the wilderness." In other words, upon the goat's head the sins of the people were figuratively placed, and when he was allowed to escape into the wilderness, the sins were considered as having been atoned.

Dirty Trick in Hawaii

In the dead of night, when solid citizens sleep, Hawaii's sugar cane plants are waked up for a fresh work-shift. Tests show that lighting up sugar fields briefly at night prevents cane from tasseling, increases the sugar yield as much as a ton an acre.

So several planters have bought a light war surplus 60-in searchlights with 15-kw generators, train them on their cane plants about midnight. At that hour, just one minute of strong light will break the plant's rest, and prevent it from flowering or tasseling.

The Great Rush

The pioneer of '49 had the covered wagon and traveled one mile an hour. Next generation had the stage coach. They traveled 10 miles per hour. Now, 100 years later, we burn up the road at more than 100 miles per hour. It seems strange that the fastest cars are on vacation trips and are in a great rush to get there, and in a still greater rush to get home, overlooking the time that is lost in recklessness causes a serious "holdup".

Said Charlie Schwab

"I am an old man today, and I look back on a long and checkered career. I want to say that 90 per cent of my troubles have been due to my being good to other people. So if you younger folk want to avoid trouble, be hard-boiled and say no to everybody. You will then walk through life unmolested, but— and here the old-time smile lit up his face—"you will have to do without friends and you won't have much fun."

"Agriculture, manufacture, commerce and transportation, the four pillars of our prosperity, are most thriving when left free to individual enterprise." —Thomas Jefferson

For the Cooks

Here's that New England Pork Apple Pie. It is said that an old fisherman made the first pork apple pie and it was known as Sea Pie. Fill a deep fire proof dish with tart peeled apples, cored and sliced. Sprinkle with 1/4 of a cup of grated maple sugar or brown sugar, 1/4 a teaspoon of cinnamon, half as much nutmeg, and a sprinkle of salt. Dot with 20 pieces of fat salt pork, no bigger than little pens. Cover with a rich pie crust, perforated with a fork and bake in a moderate oven for about 45 minutes.

Bill

Bill had a bill board. Bill also had a board bill. The board bill bored Bill. So Bill sold the bill board. To pay the board bill. Now the board bill hasn't bored Bill.

Origins?

Baker's Dozen

Thirteen is called "a baker's dozen." It once was required that bakers give an extra loaf or bun with every dozen sold to customers. This was to insure full weight. During the last century, 13 also was called "a devil's dozen," because of associating the number with bad luck. —Frank Colby

This Week's Quizzer

Is Texas larger than Alaska? Answer to last week's quizzer. When is "We is" correct grammar? It is correct in this sentence, "We" is a pronoun.

CERTIFIED COPY OF RESOLUTIONS OF THE BOARD OF DIRECTORS OF THE STATE BANK OF ANTIOCH

At a meeting of the Board of Directors of the State Bank of Antioch held on October 20, 1949 the following resolutions were adopted: WHEREAS by Section 17 of "An Act to revise the law in relation to promissory notes, bonds, due bills and other instruments in writing" approved March 18, 1874, as recently amended, it is provided in part that any bank doing business within the State of Illinois may select any day of the week to remain closed and that any act authorized, required or permitted to be performed at or with respect to such bank on a day which it has selected to remain closed under the provisions of said Act may be performed on the next succeeding business day; NOW THEREFORE, BE IT RESOLVED that pursuant to all the provisions of the aforesaid act this bank hereby selects and designates the fourth day of the week, commonly called Wednesday as the day of the week to remain closed, commencing with Wednesday the 7th day of December, 1949.

BE IT FURTHER RESOLVED that the President of this Bank, the officer having charge of the records of this bank, shall be and is hereby directed to certify a copy of these resolutions, to file the same with the Recorder of Deeds of Lake County and to publish notice of said closing at least once each week for three successive weeks in a newspaper of general circulation in such county, all prior to the date of such first closing.

I, the President of the State Bank of Antioch, do certify that the foregoing is a true copy of resolutions adopted by the Board of Directors of the said Bank at a duly constituted meeting of the said Board held on the 20th day of October, 1949 and entered upon the regular record book of said Bank.

J. Ernest Brook, President of State Bank of Antioch

STATE OF ILLINOIS, ss. LAKE COUNTY, On this 28th day of November, 1949 before me, a Notary Public in and for said County and State, personally appeared J. Ernest Brook, known to me to be the person who executed the same; and being duly sworn did depose and say that he is the President of the State Bank of Antioch; that as such officer he has charge of the records and seal of said Bank; and that the foregoing certificate is true to his own knowledge. (SEAL)

Bernice Reisser, Notary Public (24-26)

TEENAGERS POLKA PARTY Saturday, Jan. 14—9:30 at Antioch Legion Home Ida Ave. Refreshments Served

Invitations Issued to Boat Owners to Join Coast Guard Auxiliary

Boat owners have been invited to attend the next monthly meeting of the United States Coast Guard auxiliary, Chain O' Lakes flotilla No. 2108 at 8 p. m. Saturday at the Fox Lake Boat Co., Nippersink dr., Fox Lake.

They may join the organization at the meeting during which membership pins and cap badges will be issued.

Cmdr. Victor G. Witting announced there would be sound pictures and many other things of interest. The last meeting was held Dec. 10 with a good attendance considering the fog and rainy weather. The new members who have qualified and have been accepted into membership are Alvin Hutchison, Victor Oldenburg, Walter H. Atkinson, Fred S. Yates, Joseph C. Hajek, James J. Cooper, John Jerossek, John Hoffmeyer, John H. Sharp, Maurice Radke and John H. Pilkington.

After the meeting refreshments were served by Carl Denny and Carl Lowing, both members of the flotilla. Motion pictures were shown.

Your Income Tax

by John T. Jarecki, Collector of Internal Revenue for the First District of Illinois

Article No. 2 Where Income Tax Forms Can Be Procured and Assistance Obtained The office of the Collector of Internal Revenue for the First District of Illinois, comprising the northern twenty six counties of Illinois, is desirous of giving the taxpayers every possible assistance in preparing and filing their income tax returns.

For this purpose, in addition to the main office in Chicago at the U. S. Court House Building, Dearborn and Jackson Streets, branch offices are maintained at strategic points in Chicago as well as in most of the country towns.

Each office is manned by a staff of deputy collectors, who are well qualified to help you with your income tax problems.

Why not make a note of the address of the office most conveniently located for your purposes and make use of the facilities provided? Waukegan, 325 Washington St. Woodstock 108 East Jackson St.

Quality Milk

The dairy industry must sell its products on a quality basis. Clean healthy cows, careful feeding, clean barns, good milking methods, clean utensils, good milk house, proper cooling, enclosed trucks, and attractive, wholesome containers are all essential for the production and sale of good quality milk.

Grasshopper Eaters

Turkeys, quail, frogs, snakes, skunks, and shrews, are voracious grasshopper eaters. Because Mrs. G. deposits her eggs in the ground in autumn, late fall plowing helps to reduce the spring hatch. Development of grasshopper parasites has become an effective method of control.

Customers' Corner

What do you consider good service in a food store? Do you get it at your A&P?

Of course, we expect all our employees to be friendly and courteous. But we think good service goes beyond that. We train our employees to be prompt, efficient, helpful and accurate as well.

To us, good service means quality food offered at low prices in clean, well-stocked and well-operated stores.

Any time your A&P doesn't measure up to these yardsticks of good service, please let us know about it. Write:
